

BLACKFINN

— AMERICAN GRILLE —

The BlackFinn Experience

DETAILS OF THE EVENING
FRIDAY, SEPTEMBER 10, 2010

BlackFinn American Grille is excited and proud to be the newest member of the Jacksonville community. Prior to our public opening, we would like to warmly invite you to Experience BlackFinn American Grille to benefit Friedreich's Ataxia Research Alliance (FARA). *Friedreich's ataxia is a rare, progressive neurodegenerative disease that affects all muscle coordination from the toes to the fingertips and can have serious life shortening cardiac complications.*

Upon your arrival to the BlackFinn Experience, you will be welcomed by our Operating Partner Dustin Birden, who will introduce you to our team and escort you through a tour of BlackFinn's four distinct rooms. This exclusive, invitation-only event begins in The Grille Room, where you can sample passed hors d'oeuvres and signature fresh-squeezed drinks prepared by bartenders for you and your guests.

The tour continues where you will meet our Executive Chef, Rick Hernandez, in our Dining Room. Then it's down the hall into The Saloon, and finally step outside to The Patio and soak in its unique, coastal environment complete with a fully fixed roof, indoor/outdoor seating and full bar.

Once you have completed the tour, you will return to the dining room and sample our classic American fare. After dinner, join us in The Saloon for a dessert bar and after dinner drinks, then the evening continues on The Patio for more hospitality and entertainment as refreshing beverages and carefully selected music will set the stage for a memorable evening. All for a donation of just \$75.00!
