

FARA Webinar – FA Treatment Pipeline Update

Tuesday June 18th 12:00pm EST

Join FARA Executive Director Jen Farmer as she provides an update on the FA Treatment Pipeline via webinar (12:00pm EST - June 18). In preparation for the webinar, please review the pipeline posted on our website at the start of the year to familiarize yourself with some of the treatment candidates in development. <http://curefa.org/pipeline.html>. There will be time for some Q & A.

Participation is limited to 22 individuals; however the webinar will be recorded so that it can be shared later with the entire community. Registration for participation is on a first come - first serve basis. Registration is free of charge. Registration site: <http://fara.eventzilla.net>

In order to participate you will need access to a computer with internet connection during the time of the webinar and either a headset (speakers and microphone) or a telephone to fully participate.

Due to limited space available we ask that only one person in a family register. Of note, one person can register but several may actually listen and observe the meeting from a single computer.

To complete registration click on quantity of ticket and select 1; then click proceed to complete your registration information (Name and Email). At the bottom to receive a confirmation receipt click E-ticket (this will send a confirmation to your email). You will be contacted by email before the meeting for specific instructions on how to use our webinar system for the meeting.

Please email info@curefa.org if you have any questions.
