

New CHOP CME CLOUD based Registration System -- How to register for our CME conferences:

Online Registration Only:

Chop.cloud-cme.com

Creating / Updating an Account (only done once)

- Use this link to access our cloud site: Chop.cloud-cme.com
- Click the blue bar on the right hand side that says – **Sign In or Create an Account**
- Create an account profile (requires valid email and an individual password)
- Enter the required information - (please be sure to access our website using a desktop or laptop – this site does not support mobile devices)
- Once account is created – Select Sign-In again
- Now you can register for any of our upcoming conferences by signing in with your username and password –
- Please select “Live Courses” to view all conference details/register. You will be given the option to pay online; however you can also provide payment by physically mailing a check or providing credit card information via telephone/email. Once payment has been processed you will receive a confirmation via email.
